Black (B)

Satin (S)

- Pre-fabricated stainless steel square posts fully engineered for interior residential applications.
- Material is SS304, in both satin and black powder coated.
- Provides placement on the front, middle, and back of the tread for 36" high railings.
- Fully welded tube supports with solid square stem, providing a modern and clean look.
- Fully welded solid cast stainless steel base plates.
- Small square glass clips secured by an M8 x 20 stainless steel fastener included.
- Flat handrail attachment plates and base plate covers also included.
- Suitable for 6-10mm glass.

ElitePosts

Euro EAC is excited to introduce our new line of Elite Posts! Fully engineered and designed for modern life, this line is sure to impress. Available in Satin and Black, our Elite Posts can be installed on the front, middle, or back of your step to create an elegant look for your home.
