DANGER: FLAMMABLE - Eye Irritant  
(See Back Label)

## PROTECTIVE GLASS & SURFACE COATING

Seals, polishes, and protects glass windows, patio doors, shower doors & enclosures, porcelain sinks & bathtubs, and ceramic tile walls & counters.

# INVISIBLE SHIELD®

## Protective Glass & Surface Coating

**INVISIBLE SHIELD®** seals, polishes, and protects glass windows, patio doors, shower doors & enclosures, porcelain sinks & bathtubs, and ceramic tile walls & counters.

**INVISIBLE SHIELD®** protects surfaces with a water, soil, and stain repellent finish that dramatically reduces the adhesion and build-up of dirt, grime, water spots, limescale, rust, soap scum, and hard water minerals for easier next-time cleaning.

Long-lasting and resists soaps, solvents, and detergents. Infinitely renewable!

### DIRECTIONS FOR USE:

1. Apply INVISIBLE SHIELD® to a clean, folded cloth and wipe onto surface using a firm, circular, and overlapping motion to ensure complete coverage.
2. Let dry to a slight haze and polish surface with a clean, soft cloth.

### WARNING:

Flammable – Eye Irritant – Do not expose to flame or store at temperatures above 49°C / 120°F. Avoid contact with eyes. If came in contact, flush with water for 15 minutes. See physician if irritation develops.

**KEEP OUT OF REACH OF CHILDREN.**

### PROPERTIES

- Active Ingredient: Dimethyl polysiloxanes
- Flash Point: 19°C / 66°F (TAG Open Cup)
- Odour: Mild (Ethyl Alcohol)
- Colour: Clear, colourless liquid
- Acid Number: About 1
- Viscosity: Consistency of alcohol
- Specific Gravity: 0.802
- Abrasives: None
- Storage Stability: Minimum 5 years
- Weight per Gallon: 3.5 kg / 7.7 lbs
