

# STOPPER PIN

Designed for 8" Standard Spigot (SSSPIGOTSM8)

Prevents glass panel from sliding for stair applications.

Product Code:  
**SSSPIGOTSM8P**  
Patent pending.

This drawing is the property of Euro Ornamental Forgings Inc. and may not be copied or reproduced in any way whatsoever without express written permission of said company.

## NOTES:

Install the Stopper Pin before securing the spigot to the floor. Remove the Gasket, and put the Rectangular Washer into the slot. Then place the Stopper Pin and attach the nut at the bottom. Insert an Allen key #5 into the socket of the Stopper Pin and tighten to be secured.

There is a possibility to adjust the Stopper Pin up to max of  $\pm 1/4$ " [6 mm] sideways without removing the spigot. Insert an Allen key #5 into the socket of the Stopper Pin to loosen for adjustment, and tighten again to be secured.
